

NATIONAL VIRTUAL

National Virtual is for business professionals who have a national presence and are not limited to geographic boundaries. It is an exclusive community of hand-selected, high-level professionals who are dedicated to helping each other succeed in a virtual environment. Each group brings together specialists from a range of backgrounds and expertise.

INVITATION ONLY

Members of Highrise National Virtual are carefully selected and vetted through an interview process. We extend an invitation to join to candidates that will add value and benefit from participating in our high-powered groups.

NATIONAL NETWORK

In addition to 100+ curated Groups across the nation, Highrise offers multiple opportunities for our Members to network and engage with other Members throughout our entire community.

INDUSTRY VERTICALS

Our Industry Verticals meet quarterly utilizing a variety of formats from group meetings to panel discussions. The purpose of these groups is to facilitate in-depth conversations specific to the unique challenges of an industry and to discuss the approach, solutions, and experiences of our Members within that industry.

MEMBER EVENTS

We host multiple events throughout the year focused on bringing our Members together in their local markets. Events include mixers, special dinners, poker nights, golf outings, wine tastings, and more. These events allow Members to connect in a less formal, fun-filled atmosphere. Members also have the opportunity to host events to highlight their firm or focus on a particular theme.
