## Corporate Program

### CORPORATE RATES

Highrise is an exclusive community of hand-selected, high-level professionals who are dedicated to helping each other succeed. With our corporate rate program, annual membership dues are lowered from \$1,800 to \$1,500 for companies who have 10 or more of their employees participating.

### RESOURCES, RELATIONSHIPS & KNOWLEDGE

Members of our groups have unique access to resources, relationships and knowledge to help them succeed. Our corporate program allows companies to strategically place employees in specific groups based on their area of specialty & market focus.

### LOCAL MEETINGS - NATIONAL REACH

Most of our groups are city based to allow Members to gather in person, but we also have national groups that are 100% virtual. In addition, Members can guest at other groups around the country provided there isn't a competing specialist.

### 14 INDUSTRY VERTICALS

Our specialty groups (Verticals) bring together Members from across the country in an industry focused environment. Specialty groups include: Finance, Real Estate, Legal, M&A, Technology, Women's, Employment, Management Consulting, Non-Profit Management, and more.

### HIGH-LEVEL COLLABORATION

To ensure a purely collaborative environment, we only allow one member per specialty in each group. As a Member, you will discover how this dynamic environment can be a game changer in helping you accomplish your goals.

### A PATH TO OPPORTUNITY

Members often look to their fellow Members to help service the needs of their clients. A Highrise membership turns traditional networking into an efficient & rewarding experience.
