

HIGHRISE NETWORKS

Highrise is an exclusive community of hand-selected, high-level professionals who are dedicated to helping each other succeed. Each group brings together specialists from a range of backgrounds. As a Member, you will discover how this purely collaborative environment can be a game changer in helping you accomplish your business goals.

INVITATION ONLY

Members of Highrise Networks are carefully selected and vetted through an interview process. We extend an invitation to join to candidates that will add value and benefit from participating in our high-powered groups.

NATIONAL NETWORK

In addition to 50+ curated Groups across the nation, Highrise offers multiple opportunities for our Members to network and engage with other Members throughout our entire community.

FOCUS GROUPS

Our Focus Groups meet monthly utilizing roundtable discussions and breakout rooms. The purpose of these groups is to facilitate in-depth conversations specific to the unique challenges of certain specialty and to discuss the approach, solutions, and experiences of our Members within that industry.

MEMBER EVENTS

We host multiple events throughout the year focused on bringing our Members together in their local markets. Events include mixers, special dinners, poker nights, golf outings, wine-tastings, and more. These events allow Members to connect in a less formal, fun-filled atmosphere. Members also have the opportunity to host events to highlight their firm or focus on a particular theme.

Annual Membership: \$2300
